

Comments on Statement of Reasons for Allowance

In response to the Notice of Allowability, mailed on March 8, 2006, Applicant wishes to thank the examiner for the courtesy of the telephone interview on February 23, 2006. Applicant notes in the Examiner's Amendment that there were several typographical errors, which have been corrected in the above listing of claims. It is further noted that in the Statement of Reasons for Allowance there is no mention of "light scattering agent" and their absence in the prior art.

Applicant believes the above listing of claims reflects those claims which have been allowed and no new matter has been added. In view of the foregoing, it is believed this amendment should be entered and the application be passed to issue upon payment of the issue fee.

Respectfully submitted,

Stephen H. Shaw
